.....,

I/we hereby affirm to be the only author/s and owners of the Work and that my/our submission is an original unpublished work and is not under review with any other journal. Whenever it should be published by your Journal, I/we transfer to the Editor of the Journal for free the exclusive right to use the article for any editorial exploitation, without space limits and within time limits as long as according to the law in force (currently 20 years) and with every modality and technology (whether now known or hereafter developed).

My/Our granting therefore includes reproduction in any form and by any way, communication – including, for example, also commercial opportunities with interactive digital channels (whether now known or therefore developed) – distribution and arrangement and new elaboration.

I/We also hereby assign to the Editor, and therefore third parties, the exclusive right to translate, distribute and communicate the mentioned Article in any language, in any way and form, the advertising exploitation rights, the right to transfer, in all or in part, for any claim, without space limits and within temporal limits according to the law in force and with any modality and technology (whether now known or hereafter developed).

Besides, I/we state and guarantee that the content of the Work complies in all its parts with the current regulations — including those related to authors' moral rights — thereby releasing and preserving both the Editor/s-in-Chief of the Journal, the Owner of the Journal and FrancoAngeli from any claims that may be made against them by any third party.

I/We also commit to providing my/our collaboration and support in case the peaceful exercise of the granted rights were to be unsettled by claims made by third parties in any capacity against the Editor/s-in-Chief of the Journal, the Owner of the Journal and FrancoAngeli (authorship of the Work, plagiarism, libel, unfair competition, ownership of the Work, failure to pay the agreed compensation, and so on), and in any case, to keeping them unharmed by the claims or actions of such third parties. All the above-mentioned guarantees and obligations will remain in effect for the whole duration of the granted rights.

Also, I/we renounce any copyright-related compensation that may stem from the publication of the Work in the above-mentioned Journal, and commit not to reproducing the Work in other books or Journals or to make it available in digital format online on any public or private network, whether free of charge or not, except with the written consent of the Editor/s-in-Chief of the Journal.
